Crocodoc

In Grades, click on the title of an assignment that has been submitted with a file attached

Click on the "View Feedback" button

This opens the document in Crocodoc. You can view the document along with any comments left by your instructor

Your grade for this assignment can be found in the upper right corner of the screen

You can also add a comment back to your instructor by typing it into the comment box on the right

How to print Feedback comments

Click on the download icon to download your submission
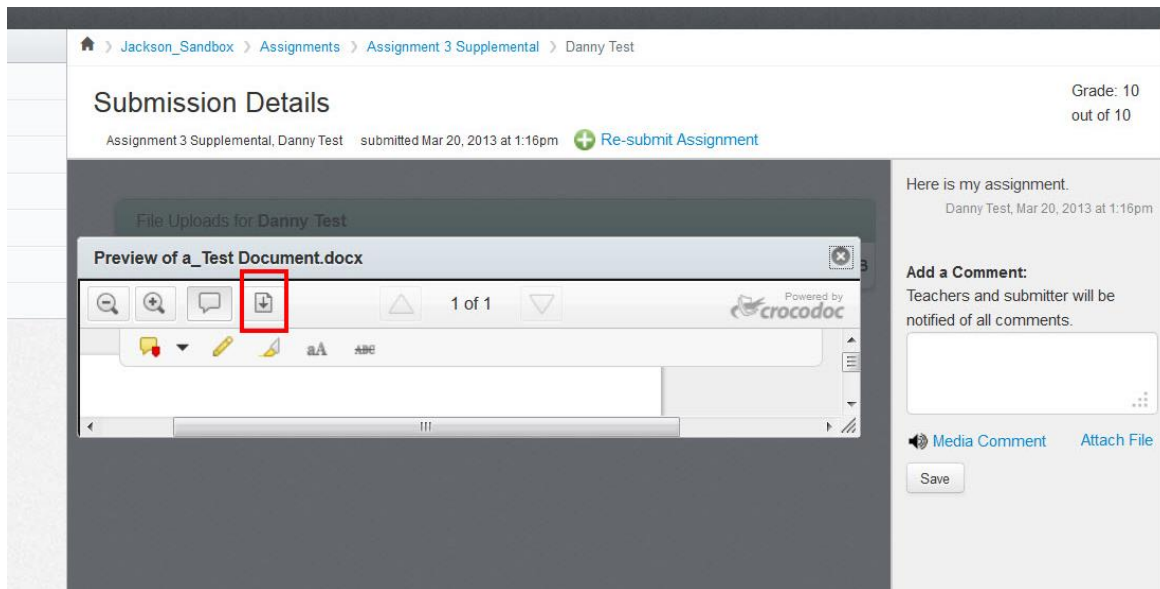

Choose the "Download annotated PDF" option
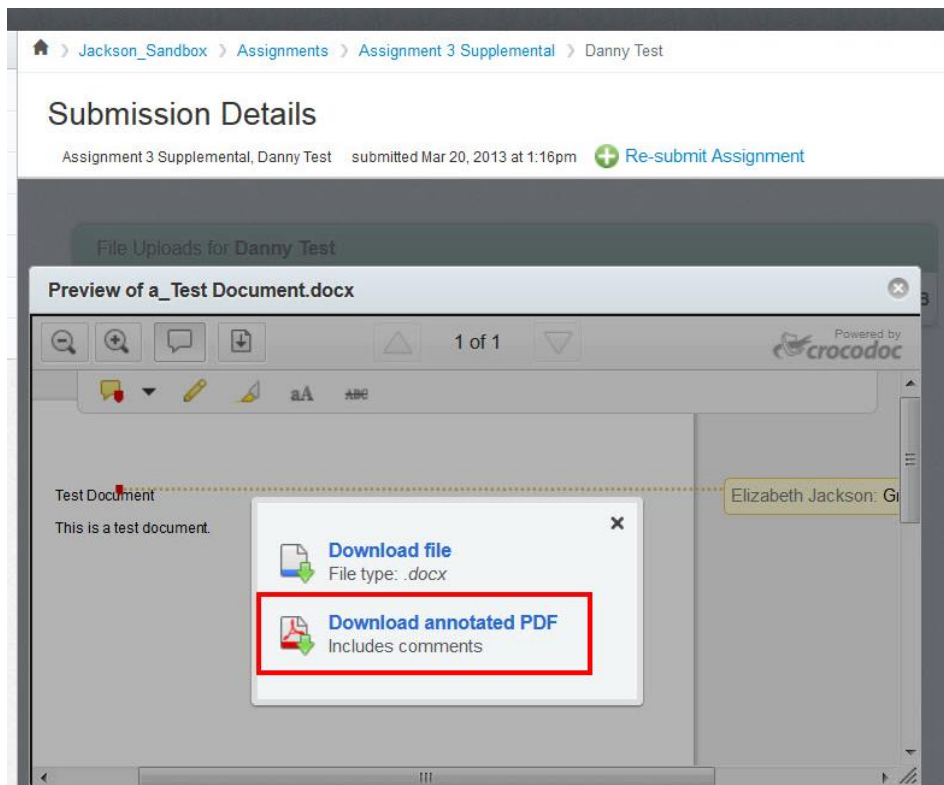

Downloaded PDF document showing instructor feedback comments

Click on File and choose "Print

Click on the "Summarize Comments" button

Choose "Yes"

Document will have the comments summarized on pages following the main document.
Click "Print" to print the document and comments.
